PETITION WITH EVIDENCE OF DEPOSIT

Assistant Commissioner for Patents

Washington, District of Columbia 20231

Sir:

In response to the Office Action mailed 03/07/2002 with Notice of Omitted Items, I am sending the evidence that the omitted item (Figure 4 of the drawings to the above application) has been submitted with the original application documents and probably could be displaced. As a proof I am enclosing a copy of a post card stating that all 7 sheets of the formal drawings were received by the PTO.

I am enclosing a \$130 petition fee but kindly ask you not to deposit this check if you accept our explanations. We appreciate it if you confirm the receipt of this petition and results of your decision.
